HIGHWAYS

114 The work on the drains at junction of High Street and Church Lane have been completed but noted that the quality of the work does not appear high.

115 The rural cut should now be carried out as the grass has grown significantly in last two weeks. **AG** will arrange with contractor.

PLANNING

- 116 No new applications have been received. No decision yet on the 2017/0001 Anaerobic Digester application at Morley.

PLAYING FIELD

- 117 Two inspections of the Play Area were conducted on 15th and 29th May which raised a number of issues. The grass has not been cut sufficiently under some of the play equipment and there are increasing amounts of weeds.

- 118 There is also evidence of cars being driven over the field creating ruts in the soft grass. Both for inclusion in July Agenda. **AP**

WICKLEWOOD VILLAGE HALL

- 119 Updated quotation from contractor for the driveway has been received; however, it does not include the most recent correspondence which is the Highways area (at the beginning of the drive) as being 17sqm x 70mm (not 40mm as the quotation states). Correct quotation to be sought and sent to Highways seeking clarification they will pay for this area as their responsibility.

- 120 Proposed new kitchen: one quote has been received. Enquires with a second contractor have been sought with the same specification for consideration at the July meeting.

- 121 Cleaning Contract: Contractor has requested payments made to herself, not the company, following discussion with her bank. Agreed to amend contract to reflect this request and approval to be at July meeting.

- 122 Additional Recycling banks: Batteries and toner cartridges were suggested; Clerk to seek clarification from SNC on the level of payment and if Hiab access would be required for their emptying/removal. **AP**

ANY OTHER BUSINESS

- 123 No issues were raised.

DATE AND TIME OF NEXT MEETING:

- 124 Monday 3rd July 2017. Agenda item to Clerk by 24th June. The meeting closed at 9.15 pm
