

Useful information

Although many of our regular readers do not have access to the Internet, there are various ways of contacting people that have become more popular and more necessary in the current situation. If you know of useful information that has not been submitted for this edition please pass it on for next time. *Editor*

Wicklewood Parish Council

During the Covid restrictions, video conferencing meetings will be held instead of the usual face to face ones. These will not necessarily be held every month; just when there is sufficient business to be dealt with. The next meeting will be on 1st June and the log in details will be posted on the village website along with the agenda. The public are of course, welcome to attend 'virtually'. On months when the council does not meet, the schedule of payments to be made will also be posted on the website:

If any resident has any matter they wish the council to consider, please email the clerk at wicklewoodpc@outlook.com

The Net

The Community Magazine
for the Parish of High Oak
June - July 2020

The Net goes viral!!

From the Editor

What a difference a few days can make! Within 48 hours of the April/May edition of The Net going to print, life had changed (for some of you beyond recognition) and by the time it arrived through subscribers' letter boxes much was already out of date and events cancelled.

Regular readers will know that this magazine is usually between 48 and 52 pages long and this one-page edition will come as a surprise but, without access to our usual printers, this was the best we could do. There will be no charge for this edition, and any further one-page editions, as it will be widely available both as printed copies (where we can distribute) and on line for those able to access the local facebook pages and community websites where it is being displayed. My thanks go to The Green Self Storage Company for assistance with photocopying.

In this edition you will find snippets of news and information to keep you updated a little and we shall return to the normal set-up when possible to do so.

The Copy Date for the August/September edition is July 10th and should be sent to The Editor: thenetmagazine01953@gmail.com Items are always welcome for consideration. Perhaps you may like to tell readers what has been good during the lockdown and what you have missed the most; if so, please send your thoughts and experiences in.

Meanwhile, if you don't already do so and would like to subscribe to the full magazine when it returns, or offer to help with distribution in your area, please contact your local distributor:

 **Monthly Coffee Mornings**
Hopefully these events held at Wick-

the not too distant future! It will be good to
meet up again for our monthly chats. I know
that Charity organisations have suffered
financial losses through the shutdown and
our monthly donations will be gratefully
received once again. Keep well
and keep safe. **Shirley Holt**

Wicklewood Church Easter Cross
Despite the Lockdown and closure of our Churches, it was a
comfort for many to witness the joy and hope of Easter with
the magnificent decoration of the Cross at the front of the
Church. It will remain there until Ascension Day, so please
have a moment to look as you pass by on your walks. Our
grateful thanks to Debbie and Anthony Cook for decorating
the Cross both for Good Friday and Easter Day.

Morley CE VA Primary School
Morley Primary has been open and providing childcare for vulnerable children and
the children of key workers. The teachers have been providing work using online
classrooms (Google Classroom) and the school leadership team has been delivering
work packs and laptops to those families who are unable to access IT. We are
pleased with the engagement of our children who are regularly sharing work, photo-
graphs and videos with us. You can see some of their photographs on our website
(link given below). I have been producing newsletters for our parents, that includes a
range of useful information which is sent to me from lots of different organisations
and Local Authority partners. If you would like to stay up-to-date with what is hap-
pening for our Morley School community and what is likely to be happening in the
future, please visit our website at
