- 3.1 A resident raised concerns about safety on Hackford Rd when entering and exiting their property at No. 56 due to the increase in traffic on this road and the blind bend approaching their property. Could any measures be taken to assist? NK remarked that it was also difficult exiting Church Lane due to no visibility at this bend.

HF reported that she had received a call from The Buck re this event. The bar had been booked 2 months ago and she asked them to ring the week before to confirm and let her know what stock would be required. They hadn't phoned so she had made no arrangements.
